

# NCVPS Application

PROVIDENCE GROVE HIGH SCHOOL

NCVPS courses are graded on the standard 10-point scale and the final grade earned is reported on the student's report card. The final grade will be calculated into the student's GPA. The requirements for online are no less than that of any other quality education program. Prepare to be challenged; self-motivation, self-discipline and commitment are key components to successful completion.

*I understand that the NCVPS course is completely online. All instruction will be delivered through Moodle or Blackboard and the instructor for the course is not a Providence Grove High School teacher. Parents and students should communicate with the online instructor on a regular basis using the contact information provided by NCVPS. The computer lab facilitator at PGHS will provide technical support and supervision while at school but will not provide any form of instructional support. I also agree to return a signed copy of the required forms for internet use at school.*
